IMPORTANT NOTICE ABOUT MAIL ORDER AND INTERNET SALES OF OUR PRODUCTS!

WHEN IS A BARGAIN NOT A BARGAIN?

Please be aware that not every business that advertises and sells Aqua Lung branded products is an Authorized Aqua Lung Dealer. Any business that offers to sell and ship Aqua Lung or affiliate branded Scuba products by mail, telephone, or Internet **IS NOT AN AUTHORIZED U.S. AQUA LUNG DEALER**. If you purchase Aqua Lung Scuba products by mail, telephone or internet, you are purchasing from a non-authorized retailer and your products will not be covered by Aqua Lung America warranties.

Unauthorized retailers offering Aqua Lung Scuba products acquire those products through unknown sources. Products purchased through unauthorized retailers are considered third party sales and are not eligible for Aqua Lung warranty protection, service, or support. Aqua Lung cannot guarantee in any way the condition of the product you receive through these unauthorized retailers or guarantee:

- The product is in fact an Aqua Lung product
- The product has not been previously used
- The product contains all original Aqua Lung factory parts.
- The product meets all original Aqua Lung factory specifications.

As a means of protecting yourself, please contact Aqua Lung America if you have any questions about whether a retailer is an authorized and credible Aqua Lung Dealer. Call (760) 597-5000 or go to the Aqua Lung Dealer Locator on our web site at www.aqualung.com
